

SUMMER FAIR

Summer Fair Core Workers: men and women who help set up the fair and tear down at the end of the day. It includes moving benches, tables, chairs, move merchandise, set up tents, place barrels, and perform other necessary tasks before and after the Fair. **VERY IMPORTANT PEOPLE!**

Gordon Services, again this year will help with the heavy lifting.

Here is when core workers are needed. Choose as many as you can do and let me know. I will update this notice as positions fill up. *Thanks Pauline Brackett pbrackett2001@yahoo.com*
